

5th ANNUAL BOWIE BAYSOX DILLON PAPIER BENEFIT

The proceeds will fund Type C research for
THE NATIONAL NIEMANN-PICK FOUNDATION

Enjoy a ballgame with friends and family on **Sunday, June 6th**
at 2:05 PM at the Bowie Baysox Stadium and join the fight against
Niemann-Pick Type C (NPC) disease.

By sharing in Dillon's love of baseball, you are making a difference to help support the vitally important research in **finding a cure** for this devastating, extremely rare disease that is always fatal (only 500 cases have been diagnosed in the world). Without a treatment the disease, within 5 -10 yrs, will leave Dillon without his ability to walk, talk, eat (eventually requiring feeding tube), and recognize his parents. It will then rob him of his most precious gift - life.

Dillon loves playing and watching baseball. His first words in the morning are "Do I have a little league game today?", or "Will I be watching the TJ High School game?" Dillon is always asking his dad, TJ Baseball Coach Mark Papier, to help him refine his skills of hitting, bunting, catching, and his all-time favorite - sliding.

Please be as generous as you can. Time is Dillon's enemy. A cure must be found to save my fun-loving grandson who has a unique sense of humor, infectious smile, and sweetness that touch all who meet him.
