Maris Walker	301.529.6481	walkermaris@gmail.com

Camden Club & Tickets: \$40 (% tax deductible)

Donations may be endorsed to NNPDF, Attn: Dillon Papier 9741 Royal Crest Circle, Frederick, MD 21704

Dillon's Army (family, friends, teachers, doctors) and the other NPC children **THANK YOU** for providing "The Gift of Hope"

For more info and the CBS Evening National News and Wallstreet Journal link featuring Dillon's story, visit www.DillonsFight.org

Dillon is a local Frederick, Maryland resident who has a unique sense of humor, infectious smile, and sweetness that touches all who meet him.

Your support will help fund critical research to find a cure for this devastating, extremely rare disease that is always fatal (only 500 cases have been diagnosed in the world). Without treatment, Dillon will lose his ability to walk, talk, eat (eventually requiring a feeding tube), and recognize his parents.

Sadly, within 5 -10 yrs of diagnosis, the disease will rob Dillon of his most precious gift – life.

*You have made a difference
as Dillon was selected to participate in the
NIH Clinical Cyclo Trial in Feb 2013.*

*Although, he developed an infection in the port in his brain,
the trial was revised and resumed with Dillon
being the first to receive monthly infusions into his spine.*

There is HOPE because of you!
