

3rd ANNUAL FREDERICK KEYS

DILLON PAPIER BENEFIT

Proceeds will fund Type C research for
NATIONAL NIEMANN-PICK DISEASE FOUNDATION

Enjoy a ballgame with friends and family on **Saturday, August 14th**
at 6:00 PM at the Frederick Keys Harry Grove Stadium and join the
fight against Niemann-Pick Type C (NPC) disease. Enjoy spectacular
fireworks following the game.

By sharing in Dillon's love of baseball, you are making a difference.
Your support will help fund critical research to find a cure for this
devastating, extremely rare disease that is always fatal (only 500
cases have been diagnosed in the world). Without a treatment, Dillon
will lose his ability to walk, talk, eat (eventually requiring feeding
tube), and recognize his parents. Sadly, within 5 - 10 yrs. of diagnosis,
the disease will rob Dillon of his most precious gift - life.

Dillon loves playing and watching baseball. His first words in the
morning are "Do I have a little league game today?", or "Will I be
watching the TJ High School game?" Dillon is always asking his dad, TJ
Baseball Coach Mark Papier, to help him refine his skills of hitting,
bunting, catching, and his all-time favorite - sliding.

Please be as generous as you can. Time is Dillon's enemy. A cure
must be found to save our fun-loving neighbor who has a unique sense
of humor, infectious smile, and sweetness that touch all who meet him.
