The incredible 472-mile bicycle trek across the state of Iowa! July 25-31, 2010

Our determined battle against the deadly Niemann-Pick Disease Type C!

www.dillonsfight.org

Please join Dillon's Army in support of Steve Daitch as he rides the 38th Annual RAGBRAI in honor of seven-year-old Dillon Papier, who is affected by the rare, genetic and terminal Niemann-Pick Disease. Research is the key to finding a cure for NPC! Please pledge with us to fight until we have won the battle against this devastating, life-stealing disease! Thank you!
